SUBJECT : Request for Approval for Publication of Article

1. I request approval to publish a paper translated from Chinese entitled "Studies on Archaic Chinese Phonology" by Li Fang-kuei, presently with The University of Hawaii. The paper deals with the sound system of Chinese of ca. 600 B.C. The intent of the paper is to reconstruct a system therefor. My translation will appear in [redacted]

2. It should be noted that my translation of the above was completed prior to coming to work for the CIA. The journal does not require contributors to specify their professional or institutional connections, and, therefore, there need not be any identification made in my case with CIA. I am, however, perfectly willing to be identified as an Agency employee if that should be deemed the proper course.
